With agreement of all parties, or as otherwise ordered by the **Hearing Authority**, a **hearing** may be held on less notice than stated in Section 5.II.b., or in Section 5.II.a. This agreement of the parties, or order of the **Hearing Authority**, must be in writing or placed on the record. j. Sanctions. The **Commission** may impose sanctions against parties and witnesses for failure to abide by the provisions of these Procedures, or for causing unexcused delays or obstructions to the pre-hearing and **hearing** process. These sanctions may include, but are not limited to suspension or continuance of scheduled **hearings**, dismissals of **appeals**, denial of admission of documents and exhibits, and admission of matters as adverse to a party.

- 1. In addition to any of these sanctions, the **Commission** may assess against any offending party the full cost of verbatim recording and transcription of any **hearing** that was delayed or obstructed by that party.

Code, may be ruled on by the **Hearing Authority** upon a request from a party with **standing** in that case, with or without a **hearing**.

V. Decisions.

- a. Content. All decisions of the **Hearing Authority**, except rulings on preliminary matters or on non-dispositive motions or objections, must be in writing. However, any decision stipulated or consented to by the parties need only be reflected by an appropriate written order or consent agreement.
- b. Evidence Required. Where an evidentiary hearing is held, all decisions of the **Hearing Authority** must be based on and supported by a preponderance of the evidence of record.
- c. Voting Requirements. Any decision rendered in conformity with the provisions of these Procedures must have the concurrence of a majority of a quorum of the voting members of the **Hearing Authority**, unless a greater number of votes are required by law.
  1. Members of the **Commission** who were absent during a **hearing** may vote on a matter, if they provide written certification that they have read the transcripts and reviewed the evidence of record.
  2. Failure to achieve the necessary affirmative votes will act as a denial of the relief requested by the **appellant** by operation of law. No written opinion in this instance will be required. However, individual members of the **Commission** may file written reasons supporting their respective positions.
- d. Time Requirements for Decisions. All decisions of the **Hearing Authority** should be rendered within 45 calendar days after the closing of the record in the case. - f. Request for Rehearing or for Reconsideration, or to Alter or Amend. A request for rehearing or reconsideration, or to alter or amend, must be filed within 21 calendar days after the **Hearing Authority** issues a final decision. After that time, a request for a rehearing or for reconsideration, or to alter or amend, may be approved only because of fraud, mistake, or irregularity. If a request is timely filed, the **Hearing Authority** may exercise revisory power and control over its decision. For these purposes, the terms "fraud, mistake, or irregularity" have the same meaning that those terms have under Maryland Rules of Procedure, Rule 2-535, as amended from time to time.
1. A request for rehearing or for reconsideration, or to alter or amend, must be made in writing, and must include the supporting reasons for the request. Copies must be served on all parties of record.
  2. Any decision on a request for rehearing or for reconsideration, or to alter or amend that is not granted within 10 business days after the request is received is denied.
  3. Any request for rehearing or for reconsideration, or to alter or amend stays the time for filing any administrative appeal for judicial review until the request is denied; or if the request is granted, until a subsequent decision is rendered.
  4. A request for rehearing or for reconsideration, or to alter or amend does not stay the operation of any decision or order, unless the **Commission** so orders.
- g. Informal Disposition. If appropriate to the nature of the proceedings, and permitted by the governing laws, and with the **Commission's** approval, an informal disposition may be made of any contested case or issue by stipulation, agreed settlement, consent order, or default.
- h. Whenever the provisions of these Appeal Procedures conflict with County Code Sec. 21-7, the provisions of Sec. 21-7 prevail.
